

ROCK-MOORE PUBLIC WATER AUTHORITY  
MINUTES OF SPECIAL MEETING

June 30, 2025

At the June 26, 2025, meeting of Directors, Director Pearce made mention of a short-term Certificate of Deposit rate with Stone Bank. On June 30, 2025, Manager Richardson contacted Stone Bank of Mountain View about their current rates, and the bank does offer a five-month rate at 5%. Manager Richardson text the Directors and suggested Rock-Moore move \$150,000.00 from our First Community Bank Depreciation account to a CD. Through text vote, Director Pearce made a motion to accept, and Director Hopper seconded. The motion carried.
